

La Quinta Mayor And Entire City Council Endorse Benoit For County Supervisor

FOR IMMEDIATE RELEASE

The Benoit for Supervisor campaign is proud to announce the early unanimous endorsement of the **entire La Quinta City Council, including Mayor Don Adolph, Mayor Pro Tem Kristy Franklin, and Councilmembers Stanley Sniff, Terry Henderson, and Linda Evans.**

“John Benoit has always been a true friend and protector of local government,” stated Councilwoman Terry Henderson, who, last month was appointed to the board of directors for the National League of Cities. “And in the short time since he was appointed as Supervisor, I have seen what I expected. He is already working hard to bring jobs to the Coachella Valley, to curb unnecessary spending in county government, while protecting vital public services. John understands he represents the cities in his district as well as the county and that is vitally important.”

“Having worked with La Quinta’s leaders as a Highway Patrol Commander, Desert Sands School Board Member, and as a Legislator, I’m humbled to earn their trust and unanimous endorsement for Supervisor,” said Fourth District Supervisor John J. Benoit. “With Councilwoman Henderson’s leadership in the National League of Cities, I am confident our excellent working relationship will continue to achieve many great things for Riverside County.”

Supervisor Benoit has represented the Coachella Valley in the State Assembly and State Senate since 2002, during which he has fought for transportation improvements, increased public safety, protection of taxpayer dollars through government spending reforms, and looking out for small businesses by taking unnecessary regulatory burdens off their backs.

A Coachella Valley resident since 1988, John J. Benoit was appointed by Governor Schwarzenegger to the Riverside County Board of Supervisors, representing the eastern two-thirds of Riverside County in the Fourth District.
